Jeff Saward, Labyrinth Historian
and Lauren Artress, Veriditas Founder
"Creating A Labyrinth in Chartres, France"

\$1,299
6 day program*

This one of a kind week has many unique features. The participants will learn the history of labyrinths over the ages and then focus specifically on the Chartres-style labyrinth. Together we will learn how to apply sacred geometry, measure and create an outdoor Chartres-style labyrinth on the property of the Maison St. Yves. Through conversations between Jeff Saward and Lauren Artress, controversial topics such as the 13-pointed star, the influence from the East and what makes a labyrinth "work" will be explored.

Only a limited number of participants can be accommodated so register early for this unique opportunity to study and build a Chartres labyrinth with others! (Please note: this serves as a qualifying workshop for those of you interested in taking the Veriditas Facilitator Training which follows).

Three Day Intensive: May 18th - 20th, 2011
Co-led by Frank De Badrihayé and Judith Tripp
"A Quest for Mystical Christianity"

Another unique offering of Veriditas in Chartres - a three day pilgrimage which also serves as a qualifying workshop for those interested in taking the Veriditas Facilitator Training which follows.

The underlying premise of this intensive will be to explore the dance of Christos~Sophia - the interplay of the sacred masculine and sacred feminine principles as they manifest in the Christian Mystical tradition. Participants will be encouraged to explore this dance in their own soul's journey and how it manifests in their individual lives and in the life of the culture at large.

"Navigating the Turns: Succeeding in Your Life Transition"

\$1,199
5 day program*

In the ancient and beautiful village of Chartres, France, we will gather to explore, share and celebrate together the life transitions we each face. Whether it is a change in work, the death of a loved one, a divorce, a business failure, retirement or illness, we are called to mobilize our gifts to meet the demands of these personal challenges during these challenging times. Though we hear the call, we may be hindered by fear and lack of support or simply unable to keep the focus of our vision. This week will provide spiritual reflection, nurturance and support to take the next step gracefully in our lives.
